Mr. DePalma thanked everyone for making Rock Climbing, the Book Fair, and restaurant night at Anthony's Coal Fired Pizza a success. The school has had several fire drills, trying to fit them in while the weather is good. Later in October, the Cranston Police will visit the school to conduct ALICE (Alert Lockdown Inform Counter Evacuate) training, where students learn about all aspects of personal safety. He also reiterated that there is no parking on Mapleton during drop-off.

### **II. Treasurer's Report**

Mr. Rylander provided copies of the treasurer's report, with new funds raised from the Book Fair, Karate, Dance and Rock Climbing (see report at end of minutes). We made approximately \$550 from the fundraiser at Anthony's Coal Fired Pizza.

### **III. Secretary's Report**

Minutes of the meetings will be shared on Waterman's webpage: <http://ddwatermanschool.weebly.com/ptw.html>

#### **IV. Old Business**

All orders from Cookie Dough Fundraiser are in and Sarah Evans will let the PTW know the pick-up date as soon as she gets it from Meadow Farms. The students will have an assembly - NED's (Never give up, Encourage others, Do your best) Kindness Adventure. We do not pay for this program, but we will sell jewelry as part of the program to pay for the next school to experience the assembly. Light the Night pumpkin orders are in. Items for the Holiday Shop have been purchased already. Parents have volunteered to organize a Science Fair and a Talent Show (more info to come on these).

#### **V. New Business**

Ms. Shannon is looking into having more Restaurant Nights, possibly at Be Good in Garden City. We are looking to have assemblies with Keith Munslow and/or Len Cabral, who are storytellers, possibly in January. Gingerbread House building will happen in early to mid-December..

#### **VI. Open Discussion**

Parents and teachers discussed the opportunity to have a Book Swap Night/Day at the school. Another suggestion was made to install a little free lending library on the school grounds. We also discussed safety concerns with the stairs from the playground not being swept of wet leaves often enough. Mr. DePalma said he would follow up with Parks and Recreation. Lastly, we discussed having yoga for kids at the school, plans for this is underway.
