

Dear Waterman Families,

We are happy to announce that the "Aligning the Learning Day" (ALD) program will be at your school for the 2017-2018 school year. ALD will begin on **September 11th**, 2017. Offered Monday-Friday from the conclusion of the school day until **5:30pm**. The ALD program will focus on the total learner by providing homework assistance to students, as well as a variety of enrichment activities and engaging itinerants such as Art Accolades, Robotics, STEAM, RIMOSA, Yoga, Culinary and much more. Enrollment in the program requires a minimum participation of 2 days per week.

There is an annual non-refundable registration/material fee of \$50 per family that is billed directly to your credit card, and the cost of the programming is **\$20** per student per day with a minimum of two days per week. If attending 5 days per week, there is a \$5 discount per week (\$95). We do not offer a sibling discount. We will continue to use the same form of payment throughout the year, and your credit card will be charged weekly on a Friday.

Just a reminder that we are a tree nut/peanut free program.

Listed on our website, ALDprogram.com, you will find our policy for inclement weather and days we do not charge for. You will also see that we follow the school calendar.
